

Fun Family Activities - over 35 unique ideas

GROUND RULES

- Hype it up
 - Make it seem super cool
 - Get your kids excited to do the activity
- Suck it up
 - I grew up by these terms. If your kids are whining during the fun, tell them to stop
 - Seriously. Suck it up, it's one day of your life
- Be positive
 - Yes, the thought of doing new things might be overwhelming but be positive
- Prepare
 - Pack snacks, take a stroller, get everything ready to make your life easier
 - Maybe even pack PJs if you'll be there late
- Be realistic
 - It might be crowded, parking might suck, and stuff might go wrong - so just make sure you're being realistic with your expectations
- Push yourself
 - So you've never been to a flea market or tasted Korean BBQ. OK then, it's time to push yourself. Discover new things and share the moments with your family
- Combine activities
 - Pick a few different things from each category and combine it for a super fun, packed day
- Have fun
 - I know I just dished out some hard love but the most important thing to remember is to have fun
 - LET GO - RELAX - HAVE FUN
